EDUCATION

Loknayak Jai Prakash Institute of Technology

B.Tech. in Computer Science and Engineering (CGPA-8.1)

09/2019- 09/2023

Chapra, India

Ram Krishna Dwarika College

Intermediate (Percentage-61.1%)

2017

Patna, India

SKILLS

- Technical Skill: C/C++, HTML, CSS, JavaScript, Tailwindcss, Node.js, React.js, Express.js, SQL, MongoDB
- Soft Skill: Problem Solving, Teamwork, Communication, Leadership.
- Tools: VS Code, Git, Canva, Figma

PROJECTS

Weather-App:[\(link\)](#)

July 2024

- Developed a dynamic weather application utilizing HTML, CSS, and JavaScript, integrating the Open Weather API for real-time data retrieval.
- Implemented responsive UI/UX design ensuring seamless functionality across various devices and screen sizes.
- Leveraged API data parsing and error handling to provide accurate weather forecasts and improve user experience.

Tic-Tac-Toe game: [\(link\)](#)

June 2024

- A digital Tic-Tac-Toe game where two players take turns marking "X" or "O" in a 3x3 grid, aiming to align three marks in a row.
- Features include automatic win/draw detection, a reset option, and a simple user interface displaying the current player's turn.

Rozarpay Clone: [\(link\)](#)

April 2024

- Built a RazorPay clone using HTML, Tailwind CSS, and JavaScript to replicate core payment gateway features.
- Applied Tailwind CSS for streamlined, responsive design, enhancing the visual consistency and mobile compatibility.
- Implemented JavaScript functionality to simulate payment processes and improve interactivity

EXPERIENCE

Polytrophic Services Pvt. Ltd.

Dec 2022 - Feb 2023

Machine learning Intern

- Gained hands-on experience in machine learning by developing models for predictive analysis and data classification.
- Collaborated on real-world projects, focusing on improving model accuracy and optimizing data pipelines.

ACHIEVEMENTS

- Qualified for the GATE (Graduate Aptitude Test in Engineering) exam in CSE in 2023, 2024 showcasing a deep understanding of engineering concepts and problem-solving abilities.
- Successfully finished completion of a 4-week Summer Training program on [Programming in C & C++ at IIT Kanpur](#), with a performance level rated as 'Very Good'.
- Completed a 6-weeks online training on [Web Development](#). The training consisted of HTML & CSS, Bootstrap and SQL modules.
